

## Leftbank Cafe offers Perks for Cyclists: 50 cent coffees in September

September 3, 2009 — PDXPIPELINE

Celebrating Portland bicyclists during the September Bicycle Commute Challenge, the Leftbank Café is offering 50 cent coffees to anyone with a helmet/bike. The offer is good for anyone who brings their own cup or uses a café mug.

Located at the east head of the Broadway Bridge the café is a convenient spot for cyclists to stop in on their way to or from work for a cup of Stumptown coffee. With large garage doors and abundant bike parking (both indoors and out) the café is a great place to get warm on a chilly fall morning ride or to cool off on the hot trek home.
